

PRIVATE FULL DAY & HALF DAY PHOTOGRAPHY TOURS

Year Round*

Join professional photographer, biologist and naturalist Robb Hirsch on a private photography expedition in the magical Yosemite landscape. With a short orientation to determine your experience and interest, on this completely customized trip you will have ample opportunity to learn and practice a wide variety of field techniques in order to refine your own personal style and technical skills.

Group size is limited to provide the most meaningful experience and maximize learning potential as you immerse yourself into the world of landscape photography. Robb is the perfect guide to help you create strong compositions, evaluate ideal exposure, utilize depth of field for maximum impact, and discover the lesser known hidden gems of Yosemite.

With dramatic landscapes, iconic Yosemite sites and the unique glow of a Sierra sunset, this trip affords the opportunity to capture the soul of Yosemite.
