

MONO PASS NATURALIST HIKE

Summer & Fall*

Join us for an epic adventure in the very heart of the Yosemite High Country. This 7.4 mile (round trip) trail takes you through pristine lodgepole pine forests and Alpine meadows to the edge of the timberline!

Hike to the top of Mono Pass and get unforgettable views looking east beyond the park boundary. This trip places you on the crest of the Sierra Nevada, one of the nation's most inaccessible and rugged mountain ranges.

Be prepared for a full day of hiking surrounded by peaks like Mount Gibbs, Mount Dana and Kuna Peak, all with elevations over 13,000 feet! This is a strenuous 5 hour hike that tops out at an elevation of 10,600 feet. Bring your hiking boots and camera for an unforgettable High Sierra experience.
