Honeymoons must be two things: romantic and memorable. Any old trip to the beach is simply not going to suffice for a couple's **post-nuptial getaway**. Thankfully, there are plenty of unique and luxurious properties out there for newlyweds.

Remote jungle hideaways, **cozy mountain lodges**, luxe European grand dames, and **gorgeous beachfront properties** are waiting with a bottle of champagne at the ready to toast your "I dos." Any of these romantic hotels around the world would be the

perfect honeymoon locale. Go ahead and swoon over them in this slideshow.

Evergreen Lodge at Yosemite
Evergreen Lodge is a 22-acre cabin resort surrounded by Stanislaus National Forest, about one mile from Yosemite National Park's western border. The 90 cabins come in different sizes — some perfect for newlyweds, others great for a large family — and are rustic, cozy, and
